### **Mori Seiki Begins Sales and Service of DMG Machines in Japan**

Mori Seiki Co., Ltd. (hereinafter, "Mori Seiki") has signed a distributorship agreement with the German machine tool manufacturer, GILDEMEISTER AG (hereinafter, "DMG"), for sales/service activities in Japan, which will be go into effect as of 1st of October, 2009.

From that date; Mori Seiki will take responsibility for sales and service activities in Japan, regardless of whether the product is from DMG or Mori Seiki. Based on the skills and expertise transferred from DMG Nippon, Mori Seiki will also take care of the servicing of DMG machines in the field and fulfill customers' requests such as after-sales service, spare parts supply or training.

As an opening to this endeavor, Mori Seiki is proud to hold DMG / MORI SEIKI Private Show 2009 at Iga campus from September 10th to 12th. We are looking forward to meeting you at the show.
