### Mori Seiki enters into agreement with MSFL for leasing service in Asia

Mori Seiki Co., Ltd. (hereinafter, "Mori Seiki") has signed a comprehensive business agreement with Sumitomo Mitsui Finance and Leasing Co., Ltd. (hereinafter, "SMFL") to provide leasing service in Asia.

Mori Seiki and SMFL have also been working together to offer maintenance lease service in Japan since 2001.

#### 1. Purpose of the agreement

By providing leasing service as a new financing option for customers in Asia, along with the conventional cash settlement and LC (Letter of Credit) transactions, we aim to cultivate new customers and further increase our market share in this region.

Leasing does not require customers to open a LC and allows them to keep their existing lines of credit available for other purposes, alleviating their cash flow burden.

#### 2. Countries covered

China, Hong Kong, Thailand, Singapore, Malaysia, Indonesia, Taiwan, Korea, Australia and India

#### 3. Start date

February 1, 2010
