

The background of the entire poster is a high-contrast, black and white photograph of a CNC machine in operation. A metallic, cylindrical workpiece is being machined by a tool, with sparks visible at the point of contact. The machine's complex structure, including various components and tool holders, is visible in the background, creating a sense of industrial precision and technology.

June 11 – 12, 2025 | Wed. – Thu. : 09:00 am – 16:00 pm

WELCOME TO TECHNOLOGY DAYS JAKARTA

Dear Ladies and Gentlemen..

We warmly invite you to our Technology Days event from June 11th to 12th at DMG MORI Technical Center Jakarta. Experience the high-tech machine in our showroom.

Next to our high-tech machine , we will be presenting the latest trend and innovation from the future-oriented focus topics Process Integration and Digitization for competitive manufacturing.

You will explore customized technological turn-key solution as well as benefit from the top performance of product and software development.

We look forward to welcoming you in Jakarta.

Your DMG MORI Team

Yasufumi Morisaki
President Director
PT. DMG MORI INDONESIA

IN COLLABORATION WITH

CUTTING TOOL

WORKHOLDING

SOFTWARE

MEASUREMENT

LUBRICANT

TECHNOLOGY TALKS

WED | JUNE 11 , 2025

09:30 am - 12:00 pm

High quality of mold part production with 5X machine

13:30 pm -16:00 pm

Hole machining of precision part

THU | JUNE 12 , 2025

09:30 am - 12:00 pm

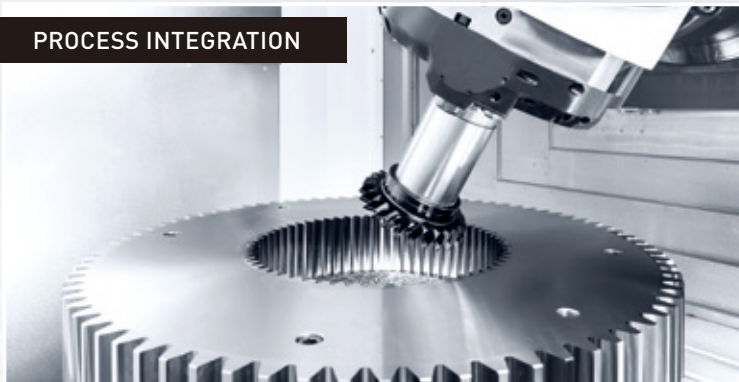

Complex part machining with universal turning center

13:30 pm - 16:00 pm

Digitization of manufacturing process

WIN
- PRIZES -

PROCESS INTEGRATION

HIGHER UTILIZATION OF A COMPLETE MACHINING CENTER, INSTEAD OF PARTIAL UTILIZATION OF SEVERAL SIMPLE MACHINES.

FOCUS INDUSTRY

AEROSPACE, DIE & MOLD, AUTOMOTIVE, JOB SHOP

DIGITAL TRANSFORMATION (DX)

SOFTWARE PRODUCTS AND SOLUTIONS ALONG THE ENTIRE VALUE CHAIN FOR FUTURE-PROOF MANUFACTURING – FOR PLANNING, PREPARATION AND PRODUCTION, AS WELL AS MONITORING.

DMG MORI QUALIFIED PRODUCTS

ONE-STOP-SHOP: PERFECTLY MATCHED PERIPHERAL AND ACCESSORIES

ALL EVENT DETAILS

DMU 50 3rd Generation

HIGHLIGHTS

DMU 50 3rd Generation

Solution for 5-axis simultaneous machining in a wide range of industries

NLX 2500 2nd Generation

6-sided complete machining of workpieces up to $\phi 366 \times 708$ mm with +/- 60 mm Y-axis

LOCATION

PT. DMG MORI INDONESIA

Jl. Danau Sunter Selatan Blok O.3 No. 41-42,
Sunter Jaya, Tanjung Priok, Jakarta Utara
14360 INDONESIA

OPENING HOURS

Wednesday – Thursday :
09:00 am - 16:00 pm

NOTES ON DATA PROTECTION

You are receiving this invite because we, DMG MORI AKTIENGESELLSCHAFT, of Gildemeisterstr. 60, 33689 Bielefeld, Germany, and DMG MORI Global Marketing GmbH, of Antoniusstr. 14, 73249 Wernau, Germany, together "DMG MORI", have you listed as a customer or as having shown an active interest in our products and services and wish to be kept informed about our current events within the DMG MORI Group. We process the following personal information for the purposes of direct advertising: Title, first name and last name, business address including the designation of your employer, business contact information (such as e-mail address, telephone number, fax number, mobile number, position in the company). The legal basis for processing is Art. 6 Sect. 1 lit f of GDPR. There is no contractual or legal obligation to provide the data. You have the right to decline the processing of personal data that relates to you for the purposes of any such advertisement at any time, free of charge and free of adverse effects; this also applies to profiling, to the extent that it is a part of such direct advertising. To do so, just send us an e-mail to: disagree@dmgmori.com or send us a message to the above contact data. If you decline, your personal data will no longer be used for advertising purposes and will be deleted immediately (unless processing for other purposes is permissible). You can find out more information, including comprehensive information about your additional rights and all details related to data processing, at <https://uk.dmgmori.com/data-protection>. The person at DMG MORI responsible for data protection is also available to you through e-mail at responsibility@dmgmori.com.
