WE LOOK FORWARD TO WELCOMING YOU ON SITE!

Dear Ladies and Gentlemen,

In the seminar on Friday, Feb 20, 2026, DMG MORI Thailand will introduce the DMQP. The DMQP program is designed to certify peripherals that meet, DMG MORI standards in quality, performance and maintainability.

DMG MORI knows the requirements for both manufacturing technologies and all related aspects. Long-standing partnerships with partners in the aforementioned areas have resulted in a large network from which customers benefit in the configuration of their machine tools.

With over 5,000 DMQP in 120,000 technology variations, DMG MORI offers its customers here.

Q&A and Free Discussion is a chance to get insight and a deeper understanding of how to do machining process to make a high quality work piece.

So don't miss it!
