

The background of the entire image is a dark, high-contrast photograph of a DMG MORI machine tool. On the left, a large, polished metal cylindrical component is being machined by a tool head. The machine's complex structure, including various joints, bolts, and hydraulic lines, is visible in the background, creating a sense of industrial precision and scale.

DMG MORI MX DAY

INVITATION

SEMINAR: NLX 2500 2ND GENERATION

Dear Ladies and Gentlemen,

In the seminar on Friday, March 7, 2025, DMG MORI Thailand will introduce the NLX 2500 2nd Generation. This model has been completely redesigned with the excellent thermal stability and accuracy, improved cutting and milling performance.

The ERGOline X, the newly introduced operational panel, makes your operation more intuitive and simple, regardless of the workpiece complexity. Whether you are a beginner or an experienced operator, the NLX 2500 2nd Generation offers the best usability.

Get updated information from the expert about this high performance machine. With its high accuracy design that is suitable for your factory in every sector.

Q&A and Free Discussion is a chance to get an insight and a deeper understanding of how to do a machining process to make a high quality work piece. So don't miss it!

Your DMG MORI Team
Jun Ari
President
DMG MORI (Thailand) Co., Ltd.

NOTES ON DATA PROTECTION

You are receiving this invite because we, DMG MORI AKTIENGESELLSCHAFT, of Gildemeisterstr. 60, 33689 Bielefeld, Germany, and DMG MORI Global Marketing GmbH, of Antoniusstr. 14, 73249 Wernau, Germany, together "DMG MORI", have you listed as a customer or as having shown an active interest in our products and services and wish to be kept informed about our current events within the DMG MORI Group. We process the following personal information for the purposes of direct advertising: Title, first name and last name, business address including the designation of your employer, business contact information (such as e-mail address, telephone number, fax number, mobile number, position in the company). The legal basis for processing is Art. 6 Sect. 1 lit f of GDPR. There is no contractual or legal obligation to provide the data. You have the right to decline the processing of personal data that relates to you for the purposes of any such advertisement at any time, free of charge and free of adverse effects; this also applies to profiling, to the extent that it is a part of such direct advertising. To do so, just send us an e-mail to: disagree@dmgmori.com or send us a message to the above contact data. If you decline, your personal data will no longer be used for advertising purposes and will be deleted immediately (unless processing for other purposes is permissible). You can find out more information, including comprehensive information about your additional rights and all details related to data processing, at <https://uk.dmgmori.com/data-protection>. The person at DMG MORI responsible for data protection is also available to you through e-mail at responsibility@dmgmori.com.
