UP TO  
**210%**  
FASTER THAN EDM  
**56%**  
LOWER COSTS  
PER UNIT

# INVITATION

TECHNOLOGY DAY PRECISIONTOOL

# ALL EVENT DETAILS

Dear Ladies and Gentlemen,

Diamond tool production by laser with High Speed Mode 3.0 can achieve 150 % faster speed and 50 % lower cost per part compared to EDM! Learn more about the advantages of laser finishing of diamond tools of up to diameter of 355 mm with up to 3.0 mm/min in highest quality. During the seminar we will demonstrate live on the LASERTEC 20 PrecisionTool individual edge finishing with a selectable edge roundness down to 1µm.

We look forward to welcoming you to our Technology Center in Amphur Panthong on May 24<sup>th</sup> at 9:00 a.m. to experience live why DMG MORI is the market leader of diamond tool finishing.

From 1 p.m. onwards you are warmly invited to join us for lunch in our showroom and have further discussions with our experts from Japan and Germany, as well as your DMG MORI team in Thailand.

Jun Arii  
President DMG MORI (Thailand) Co. Ltd.

## LASERTEC 20 / 50 PRECISIONTOOL

Laser machining of PCD, CVD-D,  
CBN tools up to Ø 355 mm with up  
to 3.0 mm/min

## NOTES ON DATA PROTECTION

You are receiving this invite because we, DMG MORI AKTIENGESellschaft, of Gildemeisterstr. 60, 33689 Bielefeld, Germany, and DMG MORI Global Marketing GmbH, of Antoniusstr. 14, 73249 Wernau, Germany, together "DMG MORI", have you listed as a customer or as having shown an active interest in our products and services and wish to be kept informed about our current events within the DMG MORI Group. We process the following personal information for the purposes of direct advertising: Title, first name and last name, business address including the designation of your employer, business contact information (such as e-mail address, telephone number, fax number, mobile number, position in the company). The legal basis for processing is Art. 6 Sect. 1 lit f of GDPR. There is no contractual or legal obligation to provide the data. You have the right to decline the processing of personal data that relates to you for the purposes of any such advertisement at any time, free of charge and free of adverse effects; this also applies to profiling, to the extent that it is a part of such direct advertising. To do so, just send us an e-mail to: [disagree@dmgmori.com](mailto:disagree@dmgmori.com) or send us a message to the above contact data. If you decline, your personal data will no longer be used for advertising purposes and will be deleted immediately (unless processing for other purposes is permissible). You can find out more information, including comprehensive information about your additional rights and all details related to data processing, at <https://uk.dmgmori.com/data-protection>. The person at DMG MORI responsible for data protection is also available to you through e-mail at [responsibility@dmgmori.com](mailto:responsibility@dmgmori.com).
