DMG MORI

INVITATION

HIGHLIGHTS

PROCESS INTEGRATION

The utilization of state-of-the-art 5-axis machines.

TECHNOLOGY CYCLES - gearSKIVING:

Streight and helical external or internal spur gears and splines.

MATRIS Light

Highly flexible and collaborative automation for workpieces up to 5 kg.

DMQP:

Perfectly matched peripherals and accessories from one source.

May 15 - 16, 2024 | Wed. - Thu.: 09:00 a.m. - 04:00 p.m.

WELCOME TO TECHNOLOGY DAYS

Dear Ladies and Gentlemen,

DMG MORI cordially invites you to the Technology Days in Jakarta on **May 15 - 16, 2024**. Learn detailed knowledge of the 5-axis cutting technology of DMU 75 monoBLOCK and NTX 1000 that will be on display.

Technology Talks with the expert in Process Integration, Digital Transformation, and Automation applications in manufacturing will give you some insights to improve your manufacturing process.

We look forward to welcoming you in person at Technology Center Jakarta.

Your DMG MORI Team

Yasufumi Morisaki
President Director
PT. DMG MORI Indonesia

IN COLLABORATION WITH

SANDVIK
COROMANT

PROCESS INTEGRATION

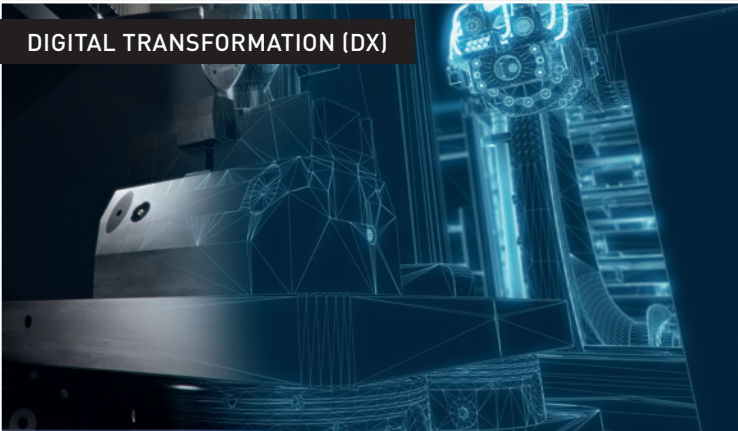

HIGHER UTILIZATION OF A COMPLETE MACHINING CENTER, INSTEAD OF PARTIAL UTILIZATION OF SEVERAL SIMPLE MACHINES.

AUTOMATION

NTX 1000 WITH MATRIS LIGHT

DIGITAL TRANSFORMATION (DX)

SOFTWARE PRODUCTS AND SOLUTIONS ALONG THE ENTIRE VALUE CHAIN FOR FUTURE-PROOF MANUFACTURING – FOR PLANNING, PREPARATION AND PRODUCTION, AS WELL AS MONITORING.

DMG MORI QUALIFIED PRODUCTS

DM(QP)
DMG MORI QUALIFIED PRODUCTS

- > 120 technology partners
- > 4,000 partner products
- > 90,000 technology combinations
- > 80% smart components
- AI based for the ideal manufacturing solution

ONE-STOP-SHOP: PERFECTLY MATCHED PERIPHERAL AND ACCESSORIES

ALL EVENT DETAILS

TECHNOLOGY TALKS

WED | MAY 15, 2024

10:00 a.m. - 12:00 p.m.

Process Integration with 5-axis machine for increase flexibility.

01:30 p.m. - 03:30 p.m.

Flexible Robotic Automation System for High-Mix High-Volume Production.

THU | MAY 16, 2024

10:00 a.m. - 12:00 p.m.

6-sided complete machining by turning and milling.

01:30 p.m. - 03:30 p.m.

Digital Transformation for Future Manufacturing.

OPENING HOURS

May 15 - 16, 2024

Wed. - Thu.: 09:00 a.m. - 04:00 p.m.

NOTES ON DATA PROTECTION

You are receiving this invite because we, DMG MORI AKTIENGESELLSCHAFT, of Gildemeisterstr. 60, 33689 Bielefeld, Germany, and DMG MORI Global Marketing GmbH, of Antoniusstr. 14, 73249 Wernau, Germany, together "DMG MORI", have you listed as a customer or as having shown an active interest in our products and services and wish to be kept informed about our current events within the DMG MORI Group. We process the following personal information for the purposes of direct advertising: Title, first name and last name, business address including the designation of your employer, business contact information (such as e-mail address, telephone number, fax number, mobile number, position in the company). The legal basis for processing is Art. 6 Sect. 1 lit f of GDPR. There is no contractual or legal obligation to provide the data. You have the right to decline the processing of personal data that relates to you for the purposes of any such advertisement at any time, free of charge and free of adverse effects; this also applies to profiling, to the extent that it is a part of such direct advertising. To do so, just send us an e-mail to: disagree@dmgmori.com or send us a message to the above contact data. If you decline, your personal data will no longer be used for advertising purposes and will be deleted immediately (unless processing for other purposes is permissible). You can find out more information, including comprehensive information about your additional rights and all details related to data processing, at <https://uk.dmgmori.com/data-protection>. The person at DMG MORI responsible for data protection is also available to you through e-mail at responsibility@dmgmori.com.
